Sir:

In response to the Office Action dated May 12, 2003, applicant submits the following:

**REMARKS**

Applicant notes the allowance of Claims 1-16 and 21, and the indicated allowability of Claims 18, 19, and 28. Applicant further notes that Claims 17, 20, and 23-27, while subject to an obviousness-type double patenting rejection, are patentably distinct from the prior art.
